**Most People
Think**

That waxed floors are the most slippery things in the world—but they have not talked with us about Parquetry. We have method of applying wax to Parquetry so that all the disagreeable slipperiness is done away with, and the floor treads like a hard-oil finish, yet has all the lustre which wax alone produces.

If you are going to build a new house, or fix up the old one, let us figure on Parquetry with you. You can make your house Sanitary and Beautiful at the same time with one of our Floors.
